REPORT TO PARK BOARD

FROM: Joe DeLuce, Executive Director

DATE: May 28, 2019

SUBJECT: Flannel Fest Craft Beer Request

Background:

Flannel Fest is a fall festival that takes place at Hessel Park in early October. Now approaching its 4th year as a Park District special event featuring Lumberjack shows that includes axe throwing, speed carving, and log rolling from DLW Timberworks, a company who has been participating and lumberjack sport across North America for years. This event has grown to include other activities such as a mustache contest, pumpkin catapults, live music, a Lumberjack Dash fun run, games, local artists, food truck and much more. This is the first event of its kind in the Champaign-Urbana area, creating a very unique experience for audiences of all ages.

Proposal:

Staff is requesting authorization to offer beer sales at Flannel Fest, which is being held on Friday, October 11, 2019 at Hessel Park. Staff would like to offer samplings from one or two local craft beer vendors to complement the lumberjack theme without alcohol becoming the main priority. The idea is to enhance the festival while maintaining the event's unique experience. Combining the two experiences would help Flannel Fest appeal to both family and adult audience and broaden our community base.

Risk Management:

With the sale of beer at the Flannel Fest, the Park District will take steps to ensure the safety and responsible enjoyment of the beverage. BASSET trained staff will be onsite checking ID's and handing out wristbands to those twenty-one years and older who wish to purchase samples. These provisions all follow the recommendations and requests of the Champaign Police Department that were given to the Champaign Park District for beer sales during the Taste of Champaign.

Based on a recommendation from the Champaign Police Department, it would be beneficial to fence a designated area to allow patrons to consume these beverages separate from the events other activities. This would be similar to how the Taste of Champaign set up such areas in the past. Entrances and exits will be monitored constantly by staff to ensure that patrons are not entering or leaving the designated area with beer.

Budget Impact:

Currently, Flannel Fest does not possess any sponsors of the event and only generates revenue from the Lumber Jack Dash Fun Run and 10% of sales from local food trucks. The sale of beer could increase various sponsorship opportunities that Flannel Fest would not previously have had and generate some additional revenue. By connecting with local breweries, the Park District can create sponsorship partners for this event and future events. These opportunities allow for the event to have a larger appeal increasing the attendance numbers, and potentially increasing tourism into the Champaign area for this and other Park District events.

Recommended Action:

By including craft beer at Flannel Fest, the Park District will be expanding on the events popularity and revenue. While continuing to be advertised as a family friendly event, the event will attract a larger attendance and create broader visibility for potential sponsors and contributors to the Park District. Building off our current relationships with local breweries, staff is hoping to expand the Park District's partnerships with local businesses to create stronger relationships for our organization and community to enjoy.

SUBJECT: Minimum Wage Plan Discussion

Background

The state legislature passed a bill that gradually increases the minimum wage to \$15.00/hour on January 1, 2025.

	Adult	Teen Sub-			
	Minimum	Minimum	Exemption	Exemption	
	Wage	Wage	Amount	Percentage	
2019	\$8.25	\$7.75	\$0.50	6.06%	
January 1, 2020	\$9.25	\$8.00	\$1.25	13.51%	
July 1, 2020	\$10.00	\$8.00	\$2.00	20.00%	
January 1, 2021	\$11.00	\$8.50	\$2.50	22.73%	
January 1, 2022	\$12.00	\$9.25	\$2.75	22.92%	
January 1, 2023	\$13.00	\$10.50	\$2.50	19.23%	
January 1, 2024	\$14.00	\$12.00	\$2.00	14.29%	
January 1, 2025	\$15.00	\$13.00	\$2.00	13.33%	

Teen employees may not exceed 650 hours per calendar

The costs for the Park District is highlighted in the chart below:

Fiscal Year	Cost of Minimum Wage Increase
19/20	\$1,188.81
20/21	\$55,764.33
21/22	\$131,034.91
22/23	\$152,245.80
23/24	\$164,378.55
<u>24/25</u>	\$170,860.22
Total	\$675,472.62

The "minimum wage" issue, again staff wants to make sure to use this information to plan for the future but not "redefine" the Park District. The Park District must continue to provide the same outstanding facilities, parks, services, and programs as it has in the past.

Staff came up with different ideas to deal with the increase in the minimum wage and an narrowed the top ten (10) priorities for discussion.

Priorities in Dealing with the Increase in the minimum wage

- 1. Evaluate any additional parks, paths, or new facilities for the next five years besides the Martens Center.
- 2. Increase the top and bottom of full time staff pay ranges in order to reduce the compression factor once the Park District reach \$15 per hour for all staff.
- 3. Increase sponsorships and fundraising revenues.
- 4. Maximize the property tax rate for the next five (5) years to help offset some the increase in the minimum wage.
- 5. Pay teens less than workers who are 18 years of age and older, but work on some additional benefits for high school students in order to justify the lower pay.
- 6. Work on evaluating contracts and bids to make sure the Park District get the best possible prices. Include options to allow to refine purchases that allow the best price but also the best product or service available.
- 7. Evaluate each program and service the Park District offer to make sure it is needed and cost effective.
- 8. Evaluate facility operating hours to make sure they are the most efficient.
- 9. Increase program, rental and service fees over the next five (5) years to help offset the cost of staff hourly rates.
- 10. Use of local employment programs, i.e. U of I Athletes, high school programs, etc.

Recommended Action

This items if for discussion only. Staff continues to discuss the top priorities in dealing with the minimum wage issues.

SUBJECT: OSLAD Grant Application Discussion

Background

The Illinois Association of Park Districts (IAPD) staff announced on June 3, 2019 that a new round of Open Space Lands Acquisition and Development (OSLAD) grants will be open starting on August 1, 2019. The application period for new grants is August 1 through October 1, 2019. IAPD's advocacy resulted in the inclusion of \$29 million for new OSLAD grants in this year's State budget (P.A. 100-586). OSLAD funding is limited to outdoor recreation amenities. Applications which include diverse, numerous amenities are typically the most competitive. The grant is a 50% matching grant with the maximum award of \$400,000. The time frame for completing an OSLAD grant funded project is normally three years from the time of award.

Budget Impact

The District will be responsible for a 50% match to any amount that is approved for an OSLAD grant. The District would be responsible for the initial project funding, up to \$800,000, and then the District would be reimbursed, up to \$400,000, from the grant.

Discussion

If the District chooses to apply for an OSLAD grant this year, an appropriate project at a suitable park needs to be determined. Staff's suggestions include:

- Heritage Park—pedestrian bridge, playground, parking lot, stream bed / landscaping improvements.
- Kaufman Park—boathouse replacement, park improvements.
- Prairie Farm—update and renovate with new silo slides, education shelter, public restrooms.
- Porter Park: An additional large picnic shelter for events, education classes, storage, and restrooms.

Staff is seeking Board consensus and direction on which venue to pursue the OSLAD grant application—with that consideration, Planning Staff will present a detailed project scope for the potential OSLAD application at the July 10 Regular Board Meeting.
