CHAMPAIGN PARK DISTRICT

CLEAN PARKS DAY

FAQ

- Who can participate?
 - Anyone! This event is for all ages.
- How do I get points?
 - Download the free app *Scavify* and find the QR codes at our listed parks. Scan those through the app and automatically rack up those points!
 - *Please make sure to use the same email when registering on the Scavify app that you used when registering for the event.*
- What if I'm playing on a team/with my family?
 - Great! The more the merrier. One member can register through the app, or you can share login information with your team members. Please note that prizes will already be prepared, so remember that sharing is caring!
- Is this a race?
 - Nope, take your time! You can visit as many or all of the 10 parks starting at 12PM. We will be at Hessel Park until 5PM.
 - Prize tiers will be rewarded based on number of parks visited/points collected.
- What do I do with my garbage I pick up?
 - Bring it to Hessel Park! We will be at the park that afternoon and will happily dispose of your collections.
- Do I need to separate my recyclables?
 - That sure would be great! We can recycle items for you. You'll even receive bonus points for bringing in recyclables!
- What do I do if I find something dangerous or hazardous?
 - Leave it alone! If you find items at a park that pose a risk, please do not pick them up. Make a note of it and let staff know so that we can take care of it.
- What happens if there isn't any litter left when I get to a park?
 - Look closer! You can probably find sneaky remnants hiding in neighboring areas, in landscaping, in parking lots, etc. We will gladly accept your trash collections, no matter the volume!
- I have another question not listed here.
 - Email Volunteer Coordinator, Remington, at remington.rock@champaignparks.org
