

**CHAMPAIGN  
PARK DISTRICT**

**American's with Disabilities Act Program Statement**

In accordance with Title II of the Americans with Disabilities Act of 1990 (ADA), as amended, the Champaign Park District (Park District) does not discriminate on the basis of disability. The Park District will make all reasonable modifications to policies and programs to ensure that every qualified individual with a disability has an equal opportunity to enjoy all of its programs, services, and activities, provided an individual meets essential eligibility requirements for participation. The ADA requires that recreation programs offered by the Park District be available in the most integrated setting appropriate for each individual.

Upon request, the Park District will generally provide qualified individuals auxiliary aids and services to allow them to participate equally in the Park District's programs, services, and activities or for effective communication. Anyone who requires auxiliary aids or other services should contact the Park District as soon as possible but no later than 48 hours before the scheduled event.

If you or a member of your family needs special assistance or accommodations to participate in any Park District program, please indicate on the Park District registration form.

The Park District has appointed Andrew Weiss, Director of Planning, as the ADA compliance officer. If you have any questions or concerns about access to recreation for Americans with Disabilities, you may contact him via e-mail at [andrew.weiss@champaignparks.org](mailto:andrew.weiss@champaignparks.org) or phone 217-819-3822.

Please note that the ADA does not require the Park District to take any action that would fundamentally alter the nature of its programs or services, or impose an undue financial or administrative burden.
