2024

Dear 50+ participants,

We're thrilled to introduce an exciting new initiative aimed at enhancing our 50+ programs - the establishment of a dedicated advisory committee. But here's the best part: the committee members will be chosen directly by you, our valued 50+ participants.

Starting May 1, we'll commence the process of collecting votes at both centers. This is your chance to have a direct say in shaping the future of our programs. The advisory committee will comprise four passionate individuals from our 50+ community who will convene monthly to brainstorm and curate exciting trips and activities tailored specifically for you.

Voting will continue until May 31, and we eagerly anticipate announcing the selected committee members during our upcoming Ice Cream Social on June 12 - mark your calendars!

Now, you might wonder how this affects our seniors. In essence, this new initiative will replace our traditional monthly senior meetings and planning sessions. By channeling our energies into this dynamic advisory committee, we aim to infuse fresh, innovative ideas into our programs, ensuring they remain vibrant and engaging for all.

Thank you for your ongoing support and enthusiasm. Together, let's embark on this journey of collective empowerment and enrichment for our 50+ community.

Warm regards,

Jean Cousett, *Senior Coordinator*
