STUDY SESSION

5:30 P.M.

A. CALL TO ORDER

B. PUBLIC COMMENT

Public comments are important to the Board. However, it is the Board's policy not to take action on items until time has been taken to gather and evaluate information, as well as discuss available options. The absence of an immediate response does not indicate a lack of interest in the matter. During the community input portion of the agenda, the Board may typically ask residents to provide input before nonresidents.

The purpose of public participation is to allow the public to address and inform the Board. Please remember that the Board has a limited time to hear from citizens while also efficiently conducting park district business. After an individual has spoken, that individual may not address the same issue again. Any limitation about addressing the board may be waived by it. Planned agenda presentations may, within the Board's discretion, exceed certain time limits.

Public comments are limited to not more than three (3) minutes.
